

*The experience of  
selfsufficiency, green building  
and landscaping situated  
in the MidiPyreneen, South of France.*

**This year** La Pilière Basse organizes

**eXPERIENCE WEEKS** every 2th. week of the month may till September 2016.

Take the moment and leave the village life to be together with mother nature.

Where you learn to adept life's elements.

You can update your skills for permaculture gardening, selfsufficiency and green building.

Live with nature on this beautiful place on earth.

There is space for you to camp or stay in our tipi.

Week plan as followed,

Week 1: Friday 13 may - 20 may

Week 2: Friday 10 june - 17 june

Week 3: Friday 8 july - 15 july

Week 4: Friday 12 august -19 august

Week 5: Friday 9 september - 16 september.

If you have your own time schedule , feel free and like to join us any time, you are welcome!

For more info: [www.la-piliere-basse.com](http://www.la-piliere-basse.com)

**Each week will bring a project.**

Week 1 is to make a start with rebuilding the grange.

Week 2 is to creating space in the forehouse.

Week 3 is to help with woodconstruction of the roof of the house.

Week 4 helping with rebuilding the grange/ forehouse.

Week 5. Finishing the roof, inside kitchen.

Also you will lurn how to cook and bake bread on firewood.

La Piliere basse has its own water by a source.

Electricity from sun pannels.

Toilet is a dry toilet.

Find your new way in nature and use the skills where you were born with.

Costs for staying and food is p.p 21 euro a day.

The love of creating. In L'akech!
